# A N N U A L   R E P O R T

of the  
MEDICAL OFFICER OF HEALTH

as to the  
Sanitary Conditions of the Eye Borough for the  
year 1950.

---

The the Mayor and Members of the Council of the Borough of Eye.

Ladies and Gentlemen,

I have the honour to present the Annual Report of the Medical Officer of Health for the year 1950.

As you are aware, I have been Acting Medical Officer of Health since your previous Medical Officer, Dr. H.C.G. Pedler retired on the 21st September, 1950. My other duties have made it necessary for me to confine my attention to emergencies, but I would like to record my thanks for the help I have received from Mr. Reeve, your Sanitary Inspector who has given me much valuable assistance.

Examination of the statistics embodied in this report confirm that Eye has enjoyed a healthy year, in particular the infant mortality figure and the Maternal Mortality figure of nil will be noted with satisfaction.

Apart from an outbreak of measles, mostly among the school population, the area was very free from infectious diseases.
